

# Special Announcement

Taking care of our brothers and sisters in need.

Bring extra food for GRACE  
Food Pantry

Invite those who can use an extra  
meal and the warmth and  
friendship of others to the  
potluck tomorrow.

Dear Church family,

As you go to the grocery store today, we encourage you to pick up a little something extra for the GRACE (Grapevine Relief And Community Exchange) food pantry, as they assist those affected by the government shutdown.

Also, if you know a federal employee or anyone else who might need a free meal, invite them to join you at our Potluck Lunch tomorrow. No one without a paying job should have to bring anything to that except themselves. The rest of us can make a tad bit more and it will surely be a loaves and fishes kind of day.

At the luncheon you will get to fellowship with each other, and then hear about water wells being built in Africa and houses being rebuilt after hurricanes.

Grace and peace,  
Mission Ministry
