

**IN-PERSON, INDOOR SUNDAY MORNING  
WORSHIP RETURNS MAY 16, 2021 @ 10:30 A.M.  
ONLINE WORSHIP WILL ALSO CONTINUE**

**WORSHIP:** We will reopen the sanctuary building for indoor, in-person worship on Sunday mornings, beginning May 16th at 10:30 a.m., with required mask wearing, health screening, limited physical contact, and social distancing measures in place in accordance with CDC recommendations. Safety precautions will include an entry table in the Narthex providing masks to those who may not have one, a brief health-screening on the honor system, sign-in, pick up of communion elements if you need them, and a place to drop off offerings. Ushers will escort you to socially distanced seating. For the time being, no congregational singing will be included in the order of worship, but unison congregational prayers and liturgical readings with soft voices will be included. The nursery will be closed for now, but you can take children to the playground and hear the service outside (weather permitting). Sunday school and other meetings will continue to be held online via Zoom at this time, unless specific communications are sent from your group instructing otherwise. Other buildings on the campus remain closed until further notice.

Online worship via Zoom and Facebook Live will continue to be provided, as well. FPCGV looks forward to your participation either online or in person -- we just love having you with us in whatever way works best for you! Thanks to Toni Burks for this lovely photo of our sanctuary!

**SNEAK PEEK:** Get ready for more choices in how you will engage with your FPCGV family in church activities -- more in-person or online worship and fellowship opportunities are coming! Watch for more communications about this inclusive and exciting new approach to church participation in the near future!
