

Dear Brothers & Sisters in Christ,

Given the covid-19 outbreak, and following the guidelines of Grace Presbytery, the FPCGV Session has decided to suspend all face-to-face gatherings at least through Palm Sunday. The church campus has been closed.

We are working on numerous ways to be “the church.” Some of those ways include:

- 1) **WORSHIP** – each Sunday at 10:30am you will find worship on Facebook Live with a live service brought to you by essential leaders.

Below is a list of “Technology Deacons” who you may contact for help with computer issues.

- 2) **CLASSES** (Tuesday Morning Study, Wednesday Morning Men’s Bible Study, Pastor Bob’s Thursday Class, all Sunday School Classes) – there will be no in person classes. The staff is working on bringing these to you via online and/or by phone. Be watching your email for details!
- 3) **MEETINGS** (all ministries and boards) – there will be no in person meetings. Each ministry and board will determine if they need to meet by email, phone or online. Leaders will notify members of their group(s) with details.
- 4) **GATHERINGS** (Kids Night In, GRACE Food Offering Collection, April 19<sup>th</sup> Service Sunday) – these gatherings have been indefinitely postponed.
- 5) **CONGREGATIONAL CARE TEAM** – this team will be doing their best to check up on the congregation in various ways. We have people set up who are willing to make deliveries of food, bulletins, toilet paper or any other items you may need. Please contact Pastor Ashley ([ahood@fpcgv.org](mailto:ahood@fpcgv.org) or at 214-498-7272) or Ronnie Painter ([ronnie.painter@verizon.net](mailto:ronnie.painter@verizon.net) or at 817-915-8234) if you need something delivered.
- 6) **WAYS TO HELP** – if you would like suggestions of a few people to call or write please contact Pastor Ashley at [ahood@fpcgv.org](mailto:ahood@fpcgv.org). Also, GRACE in Grapevine is in a crucial time combating the misery of COVID 19. Here is what you can do to help them. Help GRACE get out ahead of the coronavirus outbreak by making a [tax deductible donation now](#). Daycare is the leading crisis during this time. In normal times, GRACE helps with rent and utilities, food, medical care, clothing, and other essentials should a crisis occur. The very high cost of daycare is

draining meager budgets. Pray for their clients, their families, and others who are struggling with disease, or the financial impact the illness is causing. And pray for each other, and an end to the suffering and fear.

- 7) **FPCGV STAFF** – though we are not physically going to be in the office, we are working remotely from our homes. If you need to contact us, please see below:

Pastor Bob – (817) 488-1850 or at [drcrilley@fpcgv.org](mailto:drcrilley@fpcgv.org)

Jill Compton – [jcompton@fpcgv.org](mailto:jcompton@fpcgv.org)

Kim Wheelock – [kwheelock16@gmail.com](mailto:kwheelock16@gmail.com)

If you need a listening ear during these trying times, we are committed to being there for you. Even though we are social distancing ourselves we are still a community and we will get through this by being there for one another. The pastoral care cell phone number is (817) 627-9168 and it will be monitored throughout this by one of our pastors.

Stay well, stay safe, and we will see you soon!

#### COVID-19 UPDATE:

The Task Force for Reopening the Church continues to meet, and receive input and recommendations from Dr. Jason Terk, local pediatrician and valued member of our congregation. The Task Force met in March 2021 and reviewed the status of both vaccinations and Covid spread/hospitalizations in our area and recommended to the Session to delay reopening until all FPCGV worship staff is fully vaccinated. The Session then voted to accept this recommendation. The Task Force continues to stay apprised of vaccination progress and established measurements of local Covid-19 spread and hospitalizations. The Task Force is examining new, creative options for safe worship and fellowship gatherings. Recent additions include outdoor worship and outdoor youth fellowship during good weather. Watch for new updates in the Narthex News, here, and on FPCGV's Facebook page.
